### **Estate Planning Seminar: Developing Your Family Plan**

*First Speaker Series kicks off at Fallston Activity Center*

(Bel Air, MD) - - The first of the Harford County Department of Community Services new Speaker Series will be held on Wednesday, February 29, 2012 from 7-8 p.m. at the Veronica "Roni" Chenoweth Activity Center, 1707 Fallston Road in Fallston. The seminar will feature Lindsay Harrell, Attorney with Hargrove Madden LLP. Ms. Harrell's practice is focused on estate planning, including wills and trusts, estate and gift taxation, asset protection, and planning for pets.

Estate planning is the process of anticipating and arranging for the distribution/disposal of an estate, or the net worth of a person at any point in time. Estate Planning is extremely important, no matter the size of your estate. The plan allows one to ensure their property and assets will be handled correctly, while reducing taxes, court costs and attorneys' fees; it also provides comfort that loved ones will not be burdened with unnecessary barriers and financial confusion.

The Speaker Series are free and open to the public; no rsvp is necessary. Upcoming Speaker Series will be held beginning April 17 at the McFaul Activity Center in Bel Air, with Part 1 of *"Special Needs Planning: Families of Children with Disabilities,"* featuring Dexter Davis, Vice President at Merrill Lynch.
